CATERING AND PROVISIONING

Illes Balears Classica 11-14 AUG 2021

Ready to Race!

Would you rather be racing than preparing food for the crew? All you need to do is send your order to us and we will deliver everything you need directly to your dock every day of your regatta.

Delicioso has been delivering freshly made, delicious food to yachts in Mallorca for more than 12 years. All of our fabulous food is made in our professional kitchens following strict Health & Safety procedures and delivered in our refrigerated vehicles.

Guest & Crew Provisioning

Would you like breakfast delivered to the yacht before the race, or would you like us to arrange for a BBQ at your team villa? Need a special delivery to be there for when you arrive back in port, perhaps some chilled champagne on the dock to celebrate the end of a great day?

We have helped countless yachting teams through the regatta season, we know what it takes. Get in touch with us today and we can support you throughout your season.

How it works

For our regatta racing menu we offer a wide range of different and delicious choices every day. Take your pick of lovely fillings for your baguettes or wraps, or choose an energy boosting carbohydrate salad. From homemade quiches to a tasty salad with extra protein we've got something to satisfy every one.

And why not round off your meal with a sweet treat for a mid afternoon pick-me-up?

How to Order

To ensure we have all the details we need to prepare your order correctly, please email with your choices & personal information, including any dietary requirements or allergies to: info@deli-delicioso.com

Please place your order by August 8th.

In the case of last minute orders please call +34 971 699 221 and we will do our very best to accommodate you.

Biodegradable & Recyclable

Our sandwiches, wraps and salads are delivered in biodegradable or recyclable packaging in our efforts to do our part to cut down the use of plastics in the Yachting industry in Mallorca. Our black sharing-platters can be washed and reused, so you can choose to keep them and use them or return them to us for reuse.
